EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 1 and 12, lines 17 and 18, after "scaffolding", --cart-- has been inserted.

Claims 1 and 12, line 11, "platform" has been changed to --scaffolding cart--.

Claims 2 and 13, line 2, "the" has been deleted.

Claims 2 and 13, line 3, after "slots", --,-- has been inserted.

Claims 7 and 18, line 1, "the ends" has been changed to --ends--.

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claim 1 is the inclusion of the cart having four posts, each with wheels, and a hollow cylindrical tube extending vertically from one corner front post continuing with a smooth curve horizontally along a front edge of the cart to the opposite corner, then angularly extending rearward and vertically down to the adjacent rear corner post, while overlapping each corner post, the tube forming a safety rail that traverses two sides of the cart. For claim 12, in addition to the structure of the cart, a hollow cylindrical U-shaped tube extending vertically from one corner rear post, continuing with a smooth curve horizontally to a front corner of the cart, continuing with a smooth curve to the opposite front corner, then continuing with a smooth curve

to the adjacent rear corner post extending vertically down, the tube overlapping each corner post and forming a safety rail that traverses three sides of the cart. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hugh B. Thompson II whose telephone number is (703) 305-0102 (571-272-6837 as of 4-7-05). The examiner can normally be reached on Monday thru Friday 9 am to 5:30pm.
